Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any Zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

In Spelling, you will be continuing to learn how to use the suffixes: -el, -al and -il. Work your way through this lesson by clicking the link. All you need pen and paper! https://classroom.thenational.academy/lessons/to-investigate-suffixe le-el-al-il-including-test-cct32c Challenge: Create a colourful poster to help remind you how to apply these suffixes. Reading (45 mins) This lesson you will be making inferences about the characters in the book: Goodnight Mister Tom. Some of you may have read the first chapter for your homework already. Work your way through this lesson by clicking the link. All you need pen and paper! https://classroom.thenational.academy/lessons/to-make-inferences-about-characters-in-the-book-cgu3gt			
Handwriting (30 mins)	Thursday 7 th January 2021		
pen and paper! https://classroom.thenational.academy/lessons/to-investigate-suffixe le-el-al-il-including-test-cct32c Challenge: Create a colourful poster to help remind you how to apple these suffixes. Reading (45 mins) This lesson you will be making inferences about the characters in the book: Goodnight Mister Tom. Some of you may have read the first chapter for your homework already. Work your way through this lesson by clicking the link. All you need pen and paper! https://classroom.thenational.academy/lessons/to-make-inferences-about-characters-in-the-book-cgu3gt Maths (1 hour) Today you will be learning how to calculate missing angles on a stra line. The key is to remember all angles on a straight line add up to 180°! you know one value, you should be able to work out the missing val by using the inverse operation. https://resources.whiterosemaths.com/wp-content/uploads/2020/03/Y5-Summer-Block-2-WO5-Calculating-anglon-a-straight-line-2020.pdf Science (1 hour) This half term, we will be learning about electricity. Start by complet the quiz (don't worry if you are not sure at this point) and then click next and watch the video. There is then a final quiz to test how muc you have learned. Make a note of the score you get! https://classroom.thenational.academy/lessons/what-are-the-differe components-in-an-electrical-circuit-cdk34d Challenge: Can you read the information about the famous scientist Thomas Edison and create a fact file about him? Be as creative as you like! PE Lesson 1.30 – 2.30 A link to the PE lesson will be sent to you in the morning, so please check your emails. Remember to wear appropriate clothing, clear a space so that you can move around easily and have a drink of water with your with your	Handwriting	In Spelling, you will be continuing to learn how to use the suffixes: -le, -el, -al and -il.
