

Teddy, Mo, Amir, Dora and Annie have each grown a sunflower.

Use the clues below to work out which sunflower belongs to which child.

Amir

My sunflower is twice as tall as Teddy's.

My sunflower is less than 30cm tall.

Mo

Dora

My sunflower is 3 cm taller than Mo's.

My sunflower is the tallest.

Annie

Write the owner of each sunflower.

sunflower A: _____

sunflower D: _____

sunflower B: _____

sunflower E: _____

sunflower C: _____

Create a 'how to' guide for measuring in cm.
