

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any Zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

Tuesday 12th January 2021	
Spelling 20 minutes	Using the worksheet provided can you go on a sound hunt? Try to find something for each sound on the worksheet around your house and write these down using the correct spelling.
P.E. 9:15-10:15	Mr Woods will email you a link for your P.E. lesson. Please wear your school P.E. kit and make sure you have a clear space to work in.
Maths 1 hour	Watch the video (counting money) by clicking on the link below then complete the worksheet for today's lesson. https://vimeo.com/471307831 You should then mark your work. If you have made any errors, can you see where you went wrong and correct your work? <i>Challenge:</i> Can you complete any one of the challenge questions using your knowledge from the past few days?
English 1 hour	Today you really develop your understanding of the story by learning it and retelling it. https://classroom.thenational.academy/lessons/to-tell-a-story-from-memory-6ngk0e Click on the link and follow each step and instruction to complete the lesson.
Science 1 hour	In Science this term we are exploring the topic of sound. You need to follow the instructions on the PowerPoint and watch the video: First , pause the video at 3:17 to create a definition page to remind you how to spell and the meaning of topic vocabulary. Then continue to watch the video and pause again at 16:08 to either draw the ear or there is a picture you can print off and label. Make sure label your ear before continuing the video. You can then watch the rest of the video. https://classroom.thenational.academy/lessons/what-is-sound-chh30r?activity=video&step=1 <i>Challenge:</i> Can you complete the exit task on ordering how sound travels?
