

*Sid will like: cone, sphere, cylinder*

*Sophie will like: cube, cuboid, cylinder, pyramid, cone*

*They will both like cone and cylinder.*

*Left-hand circle – shapes which stack*

*Right-hand circle – shapes which roll*

*Children choose the appropriate labels for how the shapes have been sorted.*

*They use the other labels given to sort the shapes in another way.*

*Various answers depending on the sorting criteria children choose.*

*Children sort the shapes into two groups of their choice and write (or say) how they have sorted the shapes.*
