

Remote Learning Timetable

Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

Monday 25th January 2021	
Class Teacher Catch Up 3WW 10:15am 3PW 9:30am 3SH 9:00am 3LV 9:30am	Please join your teacher for a catch up session. This is your chance to talk about your work and ask any questions. Even if you do not have any questions, please join the session. A link will be emailed to you. We all know it's important to stay safe online and recently you have been using computers a lot more for home learning. Your teacher will give you a quiz to see how much you know about internet safety. Perhaps your parents can join in too!
Maths (1 hour)	<u>L.O. I am learning to divide and multiply by 3.</u> We are going to be continuing to practise our 3 times table. Follow the PowerPoint and then complete the main task. If you are finding this tricky, move onto the very mild task. There is a challenge at the end, if you feel like you want to push yourself! There is a video to watch if you need additional guidance: https://vimeo.com/476319270
Spelling (30 mins)	<u>L.O. To practice and apply knowledge of more suffixes: Past and present tense, including test.</u> Adding the suffix –ed and –ing to change the tense of a verb. https://classroom.thenational.academy/lessons/to-practise-and-apply-knowledge-of-more-suffixes-past-and-present-tense-including-test-ctj68c
Reading (1 hour)	<u>L.O To explore a theme.</u> <u>Text: The King of the Sky</u> In this lesson, we will explore the theme of 'home'. Click on the link below to follow the lesson. https://classroom.thenational.academy/lessons/to-explore-a-theme-61hp2c
Science (45 minutes)	In science you will be learning about sun safety. There is a link to this video for you to watch on the PowerPoint: https://www.youtube.com/watch?v=7UWvgNegX6E Your task is to create an information campaign to alert other people to the dangers of the sun. You could create a poster, write a letter, design a PowerPoint or even make a short video.
Geography (1 hour)	<u>L.O: We are going to be learning to locate where counties in England are on the map.</u> You are going to infer where <u>Devon and Cornwall</u> may be located on a map of the UK using the knowledge you have gained from looking at the different pictures last lesson! If you are struggling, think about: Are these counties by the coast? How do you know? Are these counties more inland (not by the sea)? How do you know? Glossary – Located – where a particular place is. County – A way of separating parts of England into smaller parts.
