

Remote Learning Timetable

Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

Maths (1 hour)	<u>L.O. I am learning to multiply by 8</u> Today, we will be moving onto our 8 times table! Follow the PowerPoint and then complete the main task. If you are finding this tricky, move onto the very mild task. There is a challenge at the end, if you feel like you want to push yourself! There is a video to watch if you need additional guidance https://vimeo.com/480761211
Reading (40 minutes)	<u>L.O. To generate and explore themes.</u> <u>Text: King of the Sky</u> In this lesson, we will use the text to analyse statements about the book. We will use this analysis to discuss themes of the story. https://classroom.thenational.academy/lessons/to-generate-and-explore-themes-64wk8c
Art (1 hour)	<u>L.O. I am drawing a bird's eye view.</u> If you can, download the Google Earth App. It is free and you will need an adult to help you with this. If you cannot do this, do not worry. You will still be able to take part in the lesson. You will need a piece of paper and a pencil.
Celebration Assembly @ 2pm	Today we will be revealing a new and exciting reading challenge for the whole school. Tune in to find out more. Mr Howard will send the link to you during the day. You will also be able to see the teachers doing something 'Extreme'.
Computing - Keyboard skills (30 minutes)	<u>LO: I am learning how to type using the whole keyboard.</u> This week we would like you to spend a little bit of time improving your typing skills. The PowerPoint has a link to the BBC Bitesize game that shows you where to place your fingers on the keyboard and once you've practised you can then play a game to see how quickly you can find the letter. Today's challenge is to use the keys z , x , . and then the whole keyboard.
