

## **Remote Learning Timetable**

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any Zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

<b>Thursday 28<sup>th</sup> January 2021</b>	
Spelling and Handwriting 15 mins	<p>Please complete the spelling test for '-ibly' and '-ably' words. You will need to make sure the PowerPoint is in 'Normal' view (the way it opens) and not as a slideshow in order to be able to click and hear the words in the test. You will need a pen and paper and you may want to use colouring pencils to practise and learn the words you get wrong.</p> <p><b>Pink Group:</b> Please complete the spelling test of contraction words and spend some time learning the ones you get wrong or do not know.</p>
Reading 30 mins	<p>Today you will be working with some of the key parts of chapter 14 and the beginning of chapter 15.</p> <p>You will be completing a task called 'Extend a chapter'. You have been given a focus for your thoughts/writing and the start of a paragraph for you to finish as if you are the author, Michelle Magorian.</p> <p><b>Challenge:</b> Choose one of your extensions to turn into a new chapter of Goodnight Mister Tom. Would you introduce a new friend for William? What would happen to Tom?</p>
Maths 1 hour	<p>Today you will be applying your knowledge of multiplication and learning how to multiply decimals by whole numbers.</p> <p>Watch this video: <a href="https://vimeo.com/490690764">https://vimeo.com/490690764</a></p> <p><b>Pink group:</b> You are continuing to practise your short division skills. You will be learning how to divide 3-digit numbers by a 1-digit number today.</p> <p>Watch this video <a href="https://vimeo.com/492054040">https://vimeo.com/492054040</a> Complete the worksheet.</p> <p>Don't forget to mark your work!</p>
English 1 hour	<p>Today you will write your speech. Read the modelled write before you start. Remember it is there as a guide and not to copy from! Make sure you use your plan to help you as it should include everything you need in terms of the right language to use and the right structure and style.</p> <p>Make sure you review each paragraph as you write, reflecting on how effective it is and edit as you go.</p> <p><b>Challenge for all:</b> Read your speech aloud to someone in your house, a voice recording on your phone or (if you're brave enough!) film yourself. This is one of the best ways to review your writing as you will not only hear the words but you should feel their impact! If you don't feel anything, you may need to edit!</p>
PE 1:30 – 2:30	<p>Use the same link that you were sent last week for PE. Make sure you log in on time and have your camera switched on so that the PE staff can check you are exercising safely. Remember to wear appropriate clothing, clear a space so that you can move around easily and have a drink of water with you.</p>
French 15 mins	<p>Today you will be continuing to learn new vocabulary in French by practising what you already know about places you live. Open the French PowerPoint and don't forget to click on the audio links to hear the instructions. It is a speaking and listening task but feel free to make any notes too!</p> <p><b>Challenge:</b> Draw or copy the outline of a map of Hampshire and label some of the different places using the French vocabulary from the lesson e.g. Southampton (city), Romsey (town) etc.</p>
