

LO. I am learning to
spell words ending
in -ably and -ibly.

In the Autumn term, you learned the rules for spelling words ending in -ible and -able.

'able' endings
are more
common than
'ible'.

The 'able' ending
is used when
there is a related
word ending in
'ation'.

The 'able' ending
is usually used
where a complete
word follows
before it.

Today, you will be tested on these spelling rules.
