

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any Zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch-up sessions. Move onto something else and you will always be able to go back to it.

LO: I am learning to skim and scan a text to answer questions.

You have a short text to read and some questions to answer. Read the text as quickly as you can (ideally in 60 seconds) and then look at the questions. Use the most important words in the questions to help you find the correct answers in the text. Once you have finished, you can check your answers and mark them.

All the resources that you will need are in today's folder on the school website.
