

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

French 20 minutes	In French this week you will revise what you have learned last week and name the parts of the face. You will then learn the names for different parts of the body in French. Use the space bar to reveal the name and how to say each body part. If the PowerPoint does not work, use google translate to hear the names pronounced to you. You will then use this knowledge to sing the song, 'head, shoulders, knees and toes'. https://www.youtube.com/watch?v=0EFXCdryyRM
