

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any Zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch-up sessions. Move onto something else and you will always be able to go back to it.

Maths (1 hour)	<u>LO: I am learning to show all that I know about area and perimeter.</u> In today's session, you will have an opportunity to show everything that you have learnt about area and perimeter in the past two weeks. Work carefully through the assessment sheet and use your understanding to find the answers. If you find something really tricky, you could go back to the video link for that lesson and watch it again to remind yourself of how to do this. Good luck!
