

Remote Learning Timetable

Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please join a 'Zoom Room', where there are adults from the school waiting to help you.

Monday 8th February 2021	
Music (40 minutes) 3WW 9:30am 3PW 10:15am 3SH 11:00am 3LV 11:45am	You will receive a link to your music lesson in the morning. The lesson will be led by the Music Teachers that come into school.
Class Teacher Catch Up 3WW and 3SH 9:10am 3PW and 3LV 9:30am	Please join your classmates and a year 3 teacher to say hello and discuss your learning for today. We look forward to seeing you! A zoom link will be sent to you in the morning.
Maths 1hr	<p><u>L.O. I am learning to multiply 2-digits by 1-digit (without exchanging).</u></p> <p>Watch the video below and work through the tasks. There is a challenge if you want to push yourself! https://vimeo.com/486331580 If you are finding this tricky, try the very mild task.</p>
English 1hr	<p><u>L.O. I am learning to build persuasive vocabulary to use in our advert</u></p> <p>In this lesson, you will be recapping comparatives and superlatives. You will also be looking at alliteration, rhyme, adjectives and slogans. You will be writing your own slogan for your healthy snack! https://classroom.thenational.academy/lessons/to-build-persuasive-vocabulary-to-use-in-our-advert-ctk3ed</p>
Science 1hr	<p><u>LO: I am learning to apply my knowledge of light and shadow.</u></p> <p>In today's lesson, you will be using the facts you have learned about light to create a moving puppet show. Follow the powerpoint and finish watching the Let's Go Live episode from last week: https://www.youtube.com/watch?v=6FFMr_1DisA&list=PLmTANLv-GyXU-MYxomFbiueNTGVW7DVV8&index=2 Then, create your own screen and puppets. You do not have to make anything fancy - a sheet draped over some chairs, or a piece of baking paper will work fine. You can cut out some shapes to make puppets or just use toys. You can tell any story you want but try to mention or use some of the facts you have learned. For example, "the diplodocus ate lots of food and he grew bigger and bigger and bigger", whilst</p>

	<p>making the shadow get larger.</p>
