

Remote Learning Timetable

Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, join a 'Zoom Room' where there are adults from school waiting to help you.

Thursday 25th February 2021	
PE @ 9:15am (1 hour)	Today you have PE, the PE staff will send you a link in the morning. Please make sure that you are dressed appropriately and that you join in on time. This is a great chance to see all of your friends at school!
Maths (1 hour)	<u>L.O. I am learning to divide 2-digits by 1-digit</u> Watch the video below and complete the tasks. There is a main task, a challenge to push yourself and a very mild task if you are finding it a bit tricky! https://vimeo.com/494126561
Times Tables (15 mins)	You will be tested on your division facts . You have a choice of challenges to choose from, but remember that it's good to practice the times tables that you're less confident with. You have a choice of which division test you do: Very Mild which is dividing by 2; Mild which is a mix of 2, 5 & 10 division facts; Hot which is a mix of 3, 4 & 8 division facts and a final Very Hot challenge of all division facts in the 12 times tables.
Reading (45 mins)	<u>L.O. I am learning to answer language questions.</u> Today you will be continuing your learning about an author's choice of language and how that impacts the reader's opinion of Mary Anning. Follow the link and write your answers to the questions as you go. https://classroom.thenational.academy/lessons/to-answer-language-questions-part-2-64wk0c?activity=video&step=1
Science (1 hour)	<u>L.O. I am learning to compare and group together different types of rocks.</u> This half-term, you will become geologists. Follow the PowerPoint to learn about different types of rock. There is a link to the BBC Bitesize website with short video clip and quizzes. https://www.bbc.co.uk/bitesize/topics/z9bbkqt/articles/zsgkdmn Then, if you are able, collect some small rocks from either your garden or your local area (if you go out for your daily exercise) and sort them using categories of your choice. This could be colour, shape, size or type.
