

Remote Learning Timetable

Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, join a 'Zoom Room' where there are adults from school waiting to help you.

Tuesday 23rd February 2021	
Class Teacher Catch Up Details to be confirmed by email	Please join a teacher for a catch up session. We will be discussing your learning for today. If you have any questions, there will be time to ask your teachers.
Times Tables challenges (15 mins)	It's great to see how well everyone is doing with their times tables. This is another opportunity to practice your division facts. Choose a challenge that is suitable for you and complete the division fact wheels by dividing the numbers by the number in the centre. There are three challenges to choose from.
Maths (1 hour)	<u>L.O. I am learning to divide 100 into 2, 4, 5 and 10 equal parts.</u> Watch the video below and complete the tasks. There is a main task and also a challenge if you want to push yourself. https://vimeo.com/489848691
English (45 minutes)	<u>L.O. I am revising how to use compound sentences.</u> Today you will be revising compound sentences. We did this earlier in the year. Remember a compound sentence is two simple sentences joined together using a coordinating conjunction. Follow the link to the Oak Academy lesson: https://teachers.thenational.academy/lessons/to-revise-compound-sentences-c4t3jd
Reading (45 mins)	<u>L.O. I am learning to answer retrieval questions.</u> Today you will be reading more about the amazing Mary Anning. You will find out why she hunted fossils in the first place and what she did with them when she found them. You will be learning how to look carefully at a question and then how to find the answer in the text.. https://classroom.thenational.academy/lessons/to-answer-retrieval-questions-6gv32c?activity=video&step=1
Computing (1 hour)	<u>LO: I am learning to use Google Slides</u> Today you will be learning to use Google Slides to create an advert encouraging people to visit the Stone Age on holiday! To take part you should have completed the History lesson from yesterday. There is a video lesson to watch but you will need to use the supporting lesson PDF (document) to access a YouTube video explaining a bit about Google Slides and how to use it. Have fun and share your final piece of work with your teacher.
