Dear Diary,

What an awful day!

I was so excited to make us all some breakfast when I heard a scream.

I thought I was dreaming. A person!

A real life person was in my home!

SHARED READING

First, I tried to get hold of the man to get my child's dog back. Annoyingly, it ran into me and pushed me to the ground. I thought he was a horrible man and I felt so angry. My feet got hot when I ran as fast as I could determined to get the dog back for my child. A little while later, I grabbed hold of the man but he got away. It was the worst day ever!
