

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

Tuesday 2nd March 2021	
David Walliams Assembly 10.30	A link will be sent to you to join David Walliams for a virtual assembly to celebrate World Book Day today . We do hope that you can all make it!
P.E. 9:15-10:15	Your class teacher will email you a link for your P.E. lesson. Please wear your school P.E. kit and make sure you have a clear space to work in.
Maths 1 hour	<u>L.O. I am learning how to multiply 2 digits by 1 digit.</u> This week you will be revising what you know about using a formal method to multiply and divide 2 digits by 1 digit. You will then use this knowledge to multiply and divide 3 digits by 1 digit. Today you will be revising how to multiply 2 digits by 1 digit. Click on the link below to complete the lesson and the task. https://vimeo.com/492101238 Use the answer sheet to check your work. If you have made any errors, can you see where you have made a mistake and correct them? <i>Challenge: Complete the Maths challenges for today's learning.</i>
Computing 1 hour 30 minutes	<u>L.O. I am learning to use Google Slides</u> In today's lesson, you will learn how to create a presentation based on your Egyptian learning from History and begin to format and edit your own slides. Be creative and remember to share any work that you are really proud of!
