

## Spring 2 - Week 2 - Computing

### COMMUNICATION

This week you are going to be learning about how we communicate with technology.

Click this link to complete the lesson:

<https://classroom.thenational.academy/lessons/searching-the-web-6rrkct?step=1&activity=video>

On the next page you will find the resources you need to complete with the lesson (The lesson will tell you when you need them).

After the lesson, you will need to complete the Exit Quiz:

[https://classroom.thenational.academy/lessons/searching-the-web-6rrkct?step=3&activity=exit\\_quiz](https://classroom.thenational.academy/lessons/searching-the-web-6rrkct?step=3&activity=exit_quiz)

## Task 1

### Activity 1 - How do we search?

Question: In what year was Mahatma Ghandi born?

## Task 2

### How do we search?

- Write a full set of instructions for someone to follow to find the answer to the question:

**In what year was Mahatma Ghandi born?**

## Task 3

Search for the following terms and note what you find

1. Rugby
2. Sale
3. Boot
