

Remote Learning Timetable

Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please join a 'Zoom Room', where there are adults from the school waiting to help you.

Monday 1st March 2021	
<p>Music (40 minutes) 3WW 9:30am 3PW 10:15am 3SH 11:00am 3LV 11:45am</p>	<p>You will receive a link to your music lesson in the morning. The lesson will be led by the Music Teachers that come into school.</p>
<p>Class Teacher Catch Up Details to be confirmed by email</p>	<p>Please join your classmates and a year 3 teacher to say hello and discuss your learning for today. We look forward to seeing you! A zoom link will be sent to you in the morning.</p>
<p>Maths 1hr</p>	<p><u>L.O I can recognise and name 3D shapes.</u> Today you are going to be practising your 3d shapes. If you do not have any shapes at home, do not worry, you can try and draw them out. Challenge - After the lesson, you could have a look around your house for some objects that are the same as the 3D shapes that we have looked at today. https://vimeo.com/476287832</p>
<p>English 1hr</p>	<p><u>L.O. To box up a story for purpose</u> In this lesson, we will box up the story and explore the moods in each section of the story. https://classroom.thenational.academy/lessons/to-box-up-a-story-for-purpose-cdhpat</p>
<p>Science (1 hour)</p>	<p><u>L.O. I am learning what fossils are and how they are made.</u> A fossil is the preserved remains or impressions of a living thing from prehistoric times. These can include bones, footprints, shells, objects preserved in amber & petrified wood. The process takes millions of years and needs particular conditions for a fossil to be formed. Watch the video clip which explains this really well (stop at 31:35) https://letsgolivescience.com/activity/how-is-a-fossil-made-using-biscuit-layers/ Next, use the write up sheet to draw a diagram to show how it is made. After you have finished this lesson, you will be able to complete this week's extra challenge whenever you are ready.</p>
