Remote Learning Timetable

 Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, join a 'Zoom Room' where there are adults from school waiting to help you.

Tuesday 2nd March 2021	
Class Teacher Catch Up Details to be confirmed by email	Please join a teacher for a catch up session. We will be discussing your learning for today. If you have any questions, there will be time to ask your teachers.
Times Tables challenges (15 mins)	It's great to see how well everyone is doing with their times tables. This is another chance to practice your times tables. Follow the link https://www.bbc.co.uk/bitesize/topics/zqbg87h/articles/zc7ygdm Watch the video and have a go at the quiz. If you are struggling you can use objects at home to help you multiply by two e.g. if you have lego, you could use it to help you answer 7 x 2. Two groups of 7 and then add them up.
Maths (1 hour)	**_L.O. I am learning to sort shapes._** Today we are sorting 3D shapes, particularly focusing on sphere, pyramids and cuboids. We are really focusing on using the correct names. https://vimeo.com/477200613
Reading 10:30am (45 mins)	Join David Walliams in conversation with Blue Peter presenter Lindsey Russell for an amaaaaazing assembly for world book day! Beamed straight into your living room, everyone is welcome to join in with this free event! It will be held at 10:30am, with a catch-up screening at 4pm, so that as many people will be able to join in as possible. A link will be sent to you so that you can watch.
English (45 minutes)	**_L.O I am learning to explore how writers create mood._** In this lesson, we will create our own 'mood toolkit' by reading as a writer. https://classroom.thenational.academy/lessons/to-explore-how-writers-create-mood-6xhp8c
Computing (1 hour)	**_LO: I am learning to understand how to use keyword search and what influences the results._** In this lesson, you will be using a child-friendly search engine called swiggle to find out about the Stone Age. You will be comparing results of each search to understand how search engines use keywords to rank the results. There is a video lesson and a supporting document which you will need to watch some videos which help to explain how search

	engines work.
