

## Monday 8<sup>th</sup> March 2021

Handwriting practise (15 mins)	This morning, take 15 minutes to remind yourselves of the handwriting joins. Watch the video <a href="https://debbiehepplewhitehandwriting.com/">https://debbiehepplewhitehandwriting.com/</a> and practise the letters in the way explained on the video.
Spelling (30 mins)	In today's spelling lesson you will be learning about words ending in -fer. You will be given ten words to practise and learn, ready for a test later in the week. You will need a pen and paper for this lesson.
English (1 hour)	Today we are revising the purpose of capital letters and full stops as well as the basics of sentence writing. Can you spot all of the mistakes in the paragraph? In the points challenge, be honest with yourself! If you got 8 or less/8 or more in the challenge, then there is a task on the website to follow up with.
Times tables practise (15 minutes)	Today you will be exploring the patterns in times tables. Work your way through the lesson on the website. Can you find any of your own patterns?
Maths (1 hour)	Today you will be working on the place value of numbers to one million. Complete the true or false warm up to get you started. Watch the video <a href="https://vimeo.com/452565177">https://vimeo.com/452565177</a> to help you and complete the worksheet and mark your answers using the answer sheet provided. If you feel confident, complete the extension activity and if you fancy a challenge, try the challenge sheet too!
Science (1 hour)	In today's science lesson you will learn how light travels. To begin, you will complete a pre-assessment to show your understanding of light at the moment. You will do this again at the end of the unit to see how much you have learned. Then look at the vocabulary list and tick the words you know and understand. You will need a paper and pen for this lesson.
