

The Blitz

The screaming sirens ordering,
Pushing people into their houses,
Like a thousand lifeguards.
Panic!

The soaring planes aggressively,
Whispering threats to the people below,
Like poisonous Chinese whispers.
Danger!

The boisterous bombs leaping,
Cackling through the air,
Like a wicked witch.
Damage!

The spreading fierce fire,
Erupting, surrounding the area,
Like a million people closing in.
Horror!
