

Learning Objective: I can add and subtract 10.

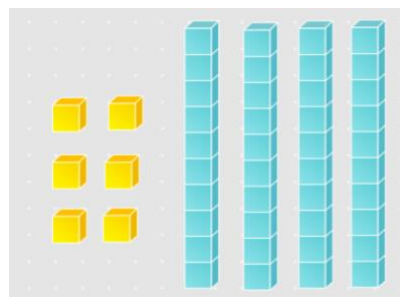

- 1) I am thinking of a number, 10 more than my number is 56 and 10 less than my number is 36.
What is my number, can you draw a diagram using the dienes/base 10?

10 less than is 36.

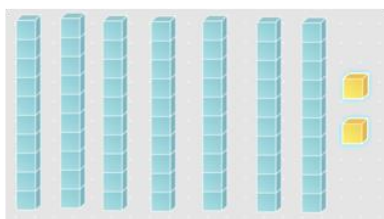

10 more than is 56.

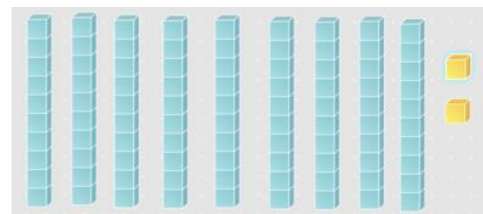

My original number was 46.

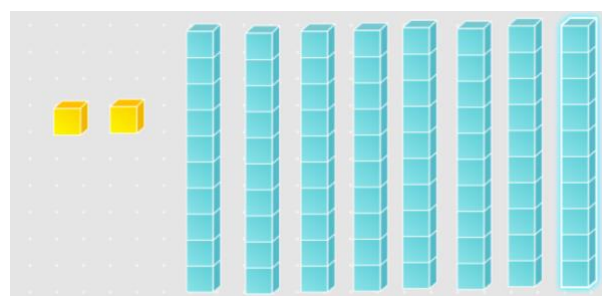

- 2) I am thinking of a number, 10 more than my number is 92 and 10 less than my number is 72.
What is my number, can you draw a diagram using the dienes/base 10?

10 less than is 72.

10 more than is 92.

My original number was 82.

3) Can you solve these column addition and subtraction questions?

a.				b.		
	1	4			1	4
+	1	0		-	1	0
	2	4				4

c.				d.		
	5	4			5	4
+	1	0		-	1	0
	6	4			4	4

e.				f.		
	9	6			9	6
+	1	0		-	1	0
1	0	6			8	6
