

Remote Learning Timetable

Wednesday 10th March 2021	
Spelling 20 minutes	<u>L.O. I am learning to spell the 'or' sound words correctly and spot them in a word search.</u> Today, you will be revising the 'or' sound. Watch the video by clicking on the link and then, try to find as many words as you can in the word search. https://www.bbc.co.uk/bitesize/topics/zvg9bdm/articles/zr6f6v4
Maths 1 hour	<u>L.O. I am learning to add 2 digits with 1 digit numbers.</u> Today you will be learning how to add 2 digits to 1 digit when you have to cross 10. This is a really important skill to be able to do so give it your best shot! You can do it! Click on the link below to complete the lesson and the task sheet for today. https://vimeo.com/465863014 When you have completed the task, mark your work using the answer sheet. If you have made any errors, can you see where you have gone wrong?
Reading 40 minutes	<u>L.O. I am learning to show I understand what I have read.</u> Watch the video lesson and complete the tasks as you go. You should then use the answer sheet to mark your work and make any corrections.
English 1 hour	<u>LO: I am learning to write a recount</u> In today's lesson, you will be continuing to write a recount, including the features that we have been revising over our previous lessons. Make sure you join in as much as you can, pausing the video and completing the activities as they come up.
Science 1 hour	<u>LO: I am learning about what happens when you heat or cool each state of matter.</u> In today's lesson, you will be learning about what happens to the behaviour and arrangement of particles when they are heated or cooled. We will also investigate some uses of these properties such as cooling gases in order to store them. Please start by having a go at the quiz. How many can you get correct? Make sure you join in as much as you can, pausing the video and completing the activities as they come up. There are worksheets on the website if you would like to print them before you start the lesson, or you can draw and write out the different activities. At the end of the lesson, have a go at the exit quiz. https://classroom.thenational.academy/lessons/what-happens-when-you-heat-or-cool-each-state-of-matter-68w3at
