

L.O, I am learning to show that I understand what I have read.

At the beginning of time, the hippos could be seen basking in the River Nile.

Little Hippo became friends with Antef.

Antef Died and he and Little Hippo slept for many years in Antef's tomb.

Archaeologists discovered the tomb and wake Little Hippo.

Little Hippo did not recognise the new world he was in.

Little Hippo began a long journey and saw how much the world had changed.

Little Hippo finally found his ancestors.

Little Hippo spent the rest of his days in the museum with family and friends.
