

L.O, I am learning to show that I understand what I
have read.

Neatly cut out the strips important events and stick them in order on the story map.

Little Hippo did not recognise the new world he was in.	Little Hippo spent the rest of his days in the museum with family and friends.
Little Hippo began a long journey and saw how much the world had changed.	Antef Died and he and Little Hippo slept for many years in Antef's tomb.
At the beginning of time, the hippos could be seen basking in the River Nile.	Little Hippo finally found his ancestors.
Archaeologists discovered the tomb and woke Little Hippo.	Little Hippo became friends with Antef.
