

Remote Learning Timetable

Monday 8th March 2021	
Maths 1hr	<p><u>L.O. I am learning to make tally charts.</u></p> <p>Today we are starting our work on statistics. We are recapping tally charts in today's lesson. This is something that you should have been taught in Year 2. For today, we are reminding ourselves of how they are used and we will be answering questions. Please click on the link below to access your lesson. If you feel confident with the tally charts already, you can move on to today's Maths challenge.</p> <p>https://vimeo.com/500377891</p>
English 1hr	<p><u>L.O. I am learning to write the opening of a story.</u></p> <p>In your English lesson today, you will be starting to start to write the second part of the opening for the BFG. You will be concentrating on showing, not telling the audience, how Sophie feels. Follow the link for today's lesson.</p> <p>https://classroom.thenational.academy/lessons/to-write-the-second-part-of-the-opening-part-1-crtk4c?activity=video&step=1</p>
PSHE 1hr	<p><u>L.O. I am learning to manage my feelings.</u></p> <p>Today we are going to be talking about our wellbeing and discussing a few activities that we can do together to help us feel more positive! We will be talking about characteristics that make us unique and the strengths we all have.</p>
Vocabulary 1 hour	<p><u>L.O. I am learning to retrieve Stone Age vocabulary.</u></p> <p>We are going to be reading the book "Stone Age Boy". We are then going to be playing a game in teams called Alphabetogory. Get ready, it is about to get very competitive!</p> <p>https://www.youtube.com/watch?v=aqy5ENpagts</p>
