

## **Remote Learning Timetable**

Please see below your lessons for today. Below is a suggested order, however, it is up to you which order you do your lessons. Although, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, join a 'Zoom Room' where there are adults from school waiting to help you.

<b>Tuesday 9th March 2021</b>	
Maths (1 hour)	<p><b><u>L.O. I am learning to draw pictograms.</u></b></p> <p>You are moving onto looking at pictograms. Again, this is something that you should have looked at in Year 2 but we are revisiting it. If you are feeling confident, you can move onto the pictogram challenge task rather than completing the task sheets. There are some challenging word problems for you to have a go at, so make sure you read the questions carefully or ask someone to read with you. It is worth watching the video to help you understand pictograms fully.</p> <p><a href="https://vimeo.com/500379996">https://vimeo.com/500379996</a></p>
English (45 minutes)	<p><b><u>L.O. I am learning to write the start of a story.</u></b></p> <p>In today's lesson, you will be finishing the start of your story. Again, you will be concentrating on showing not telling your audience how Sophie is feeling, but you will also be focusing on using compound sentences in your writing.</p> <p><a href="https://classroom.thenational.academy/lessons/to-write-the-second-part-of-the-opening-part-2-6xk3et?activity=video&amp;step=1">https://classroom.thenational.academy/lessons/to-write-the-second-part-of-the-opening-part-2-6xk3et?activity=video&amp;step=1</a></p>
Reading (45 mins)	<p>Today we are starting to look at the Stone Age in our Reading sessions. The lesson is split into three parts:</p> <ol style="list-style-type: none"><li>1) Understanding new vocabulary that we will find in our reading</li><li>2) Reading a short extract and answering questions on what we have read</li><li>3) Using our own knowledge of the world and our own opinions to help us answer a questions</li></ol> <p>Before you start, you could locate StoneHenge on Google Earth.</p>
Computing (1 hour)	<p><b><u>LO: I am learning to understand how computers are connected</u></b></p> <p>In this lesson, you will be taught what computer networks are and how they are used. You'll also understand the difference between the internet and the world-wide-web.</p>
