

Monday 15th March 2021

Handwriting practise (15 mins)	Practise your handwriting with the Year 5 and 6 words. If you would like some extra support, watch the Debbie Hepplewhite video to help you. https://debbiehepplewhitehandwriting.com/
Spelling (30 mins)	Today you will be investigating vowels with polysyllabic words. Click the link on the spelling lesson to watch the video and follow the instructions for the spelling words you are given.
English (1 hour)	Today we will watch the start of 'Beyond the Lines'. You will record your initial responses to the film and then write a setting description using your 5 senses.
Times tables practise (15 minutes)	
Maths (1 hour)	Today you are going to be developing your knowledge of addition and subtraction. Watch the video https://vimeo.com/456840256 then complete the worksheet on the website.
Science (1 hour)	In today's lesson you will continue your learning about light by looking at how light is reflected. You will then learn how the eye works. Challenge: There is a model for how to investigate the reflection of light using a mirror, torch and a piece of card. Have a go and see what you discover.
