# SHARED WRITING

Dear Diary,

I have had the most extraordinary day. You will not believe what happened to me.

First, I waited excitedly outside the tomb door, just waiting for the door to open. When it did, I felt like a real explorer. Quickly, I walked into the tomb, ready to face whatever came.

The door slammed shut behind me but I had my bright lamp to guide me. Cautiously, I went up some stairs and searched for the way to the treasure. I couldn't believe my eyes. There were two different paths in front of me and I didn't know which way I was meant to go.

A loud noise came from behind me and I felt a cold breeze across my face. I darted down the closest corridor to get away.
