

Remote Learning Timetable

Monday 15th March 2021	
Maths 1hr	<u>L.O. I am recapping part and whole.</u> In this lesson you will be investigating different sizes of groups and how they can be split into different parts. You do not need any resources, but you will be asked to stop the video to complete the tasks. https://vimeo.com/516649884
English 1hr	<u>L.O. I am learning to use an expanded noun phrase.</u> Look at the pictures from the book 'Cave Baby'. Can you label all of the nouns in the pictures? Can you think of an adjective to describe the nouns?
Reading 45 minutes	<u>L.O. To listen to a story</u> In this lesson, we will be listening to the story, 'The Bird and the Forest Fire' and creating a plot matrix to help us understand the most important parts. https://classroom.thenational.academy/lessons/to-listen-to-a-story-c5h32r
Computing 1 hour 30 minutes	<u>LO: I am learning to use different formula and bar charts to analyse data</u> In today's lesson you will be using Google Sheets to input data and create a chart to help analyse the information.
