

'Frederick roared with laughter and swung Nick up on his shoulder and ran with him along the railway line as if he weighed nothing'.

**What can you infer about Frederick from this quote?**

I can infer that Frederick is \_\_\_\_\_ because...

•

Frederick 'took a packet of cigarettes from his jacket that was hanging on the tailgate and stood, sullenly smoking.'

**What can you infer about Frederick from this quote?**

I can infer that Frederick is \_\_\_\_\_ because...

He was 'a broad, beefy soldier with a very big bottom....Mr Evans said "Do him some good to get off his backside for once!"

**What can you infer about Frederick from this quote?**

I can infer that Frederick is \_\_\_\_\_ because...
