

## Thursday 25<sup>th</sup> March 2021

Spelling (30 mins)	Spelling test day! Use the link in the document and listen to the test. Any words that you have spelled incorrectly will need to be practiced more.
Reading (30 mins)	Today you are going to be applying your inference skills by writing an extended PEE answer. Try to use everything you have learned this week about inference to help you.
English (1 hour)	In today's lesson, you will write your alternative ending to the film 'Beyond the Lines', using your plan from last lesson. Then use the checklist to proofread your work.
Times tables practise (15 mins)	Today, use TTRS to practise your times tables and then complete the written test. This is the same as last week so hopefully you've got quicker or your score has improved. This will show that you've made progress!
Maths (1 hour)	<p>Today you will continue to learn about fractions as decimals. Watch the video <a href="https://vimeo.com/491970120">https://vimeo.com/491970120</a> to help you complete today's worksheet on the website. Don't forget to use the answer sheet to mark your work too.</p> <p><b>Challenge: Complete the true or false activity and use the example to write your own to practise your division skills.</b></p>
PE (1 hour)	Get your body moving again. Use the videos provided for you on school website of the Superstar Sports coaches. Try to do something different to yesterday if you can so that you are working different muscles!
