

LO: I am learning to enjoy reading.

Choose one activity each session to complete.

Shade in the square you have completed.

Draw a new front cover for your book.	Write a book review for your book.	Create a freeze frame of one of the scenes from your book.	Write in role as a character - perhaps even an animal!
Draw your favourite scene and label it with key words.	Write questions about your book for others to answer.	Draw a selfie of one of the characters.	Decorate a mask to reflect one of the characters.
Enjoy reading your book quietly.	Write a text message from one of the characters to another.	Write a new ending for your book.	Make a bookmark - we can laminate them for you to use!
