French	LO: I am learning to spell the names of family
20 minutes	members in French
	In today's lesson, we will be recapping our learning of family
	names and then learning how to spell names using the French
	alphabet. Remember to join in as much as you can, watch the
	videos as many times as needed. You can also use google
	translate to support you. Your task is to work with a partner
	and ask one another how to spell names. Use the alphabet
	sheet to support your pronunciation.
Maths	L.O. I am revising how to use a formal method to
1 hour	subtract 4 digits.
	Today you will continue to revise how to subtract 4 digits using
	a formal method. Click on the link to complete the lesson and
	the tasks as you go then use the answer sheet to mark your work.
