

Day 10

Reading (1 hour)	<p>In today's lesson, you will read chapter 7 of Holes and answer a selection of retrieval, inference and vocabulary questions.</p> <p>When you have finished, mark your answers to see how you got on. You can then read chapters 8 and 9 of the story to finish.</p>
Maths (1 hour)	<p>In today's lesson, we will represent the angles in a quadrilateral pictorially and algebraically before learning how to calculate missing angles.</p> <p>https://classroom.thenational.academy/lessons/find-the-value-of-missing-angles-in-quadrilaterals-cdgk0r</p> <p>If you would like some extra practise on this area of maths or just feel like doing some extra maths today, complete the second maths task.</p> <p>Don't forget to mark your work!</p>
English (1 hour)	<p>Part 1: In this lesson, you will review the features of a diary and then begin to plan a diary entry in the first person as Lyra, the main character in the story. Use the images on the task sheet to help you plan as you watch the video clips.</p> <p>https://classroom.thenational.academy/lessons/to-plan-a-diary-6mtk2r</p> <p>Part 2: In this lesson, you will analyse a model write before writing your own diary entry in role as Lyra.</p> <p>https://classroom.thenational.academy/lessons/to-write-a-diary-6hhpcc</p> <p>Please send your finished diary entry to your class teacher to read and give you some feedback on.</p>
Science (1 hour)	<p>In this lesson, we will look at how humans have changed over time and use the theory of evolution to explain these changes. Learning how to make and use tools, shelter, fire and language has enabled humans to spread all over the world. We will start to look at the impact that humans have had on some species of plants and animals. You will need a piece of paper and a pencil for this lesson.</p> <p>https://classroom.thenational.academy/lessons/what-impact-have-humans-had-on-plants-and-animals-65k38c</p> <p>If you have any extra time or would like to learn more about evolution, please have a go at this lesson too.</p> <p>https://classroom.thenational.academy/lessons/what-impact-are-humans-likely-to-have-on-life-in-the-future-cnj64t</p> <p>In this lesson, we will learn about some of the impacts that humans have on life on this planet. We will look at pollution, global warming, hunting and deforestation.</p>
