## Recalling the 4 times table

Mathematics - Multiplication and division

Mrs Brinkworth

Part A match each question to the picture and answer it

$$
\begin{aligned}
& \text { 1. } 2 \times 4=\square \\
& \text { 2. } \square=10 \times 4 \\
& \text { 3. } 3 \times 4=\square
\end{aligned}
$$

Part B Fill in the missing numbers here
${ }^{1)} \times 4=4$
$2 \times 4=\square$
$\times 4=12$
$4 \times 4=$
$\times 4=20$
3) Spot the odd one out of these numbers
$\begin{array}{lllll}12 & 20 & 14 & 16 & 8\end{array}$
$\begin{array}{lllll}28 & 32 & 44 & 4 & 48\end{array}$
2) Draw arrows to continue the 4 times table
