

LO: I am learning to understand the meaning of a text.

Read the lyrics from the song 'Fast Car' by Tracy Chapman:

*You got a fast car  
I got a plan to get us out of here  
I've been working at a convenience store  
Managed to save a little bit of money  
Won't have to drive too far  
Just 'cross the border and into the city  
You and I can both get jobs  
And finally see what it means to be living.*

Now answer the questions below using evidence from what you have read:

1. What is the plan?
2. What is a convenience store?
3. Why do you think the singer wants to leave?
4. Where do you think they want to go?
5. Where do you think they live now?
6. Why do they want to go to the city?
7. What job do you think they want?
