

Remote Learning Timetable

Please see below your lessons for today. It is up to you which order you do your lessons, however, there will be times where we will be meeting online, using Zoom. It is important that you check your emails for any zoom links. If you are struggling, please do not worry, you will have the chance to chat with your class teacher at the catch up sessions. Move onto something else and you will always be able to go back to it.

Day 7	
PE 1 hour	Please spend 1 hour being active and completing one of the PE lessons on the website. You can complete these in any order or even repeat your favourite lessons and do them more than once!
English 1 hour	<u>L.O. I am learning to write a setting description.</u> In today's lesson, you will be preparing and writing your setting description. You will need your notes you made in the previous lessons. Click on the link to complete the lesson and respond to and answer the questions you are as you go. https://classroom.thenational.academy/lessons/to-write-the-opening-setting-description-6hjkjt
Maths 1 hour	<u>LO: I am learning to exchange in more than one column when adding and subtracting.</u> In this lesson, you will learn to use your knowledge of written methods to add and subtract, exchanging in more than one column. Click on the link below and complete the worksheets for this lesson as you go. https://classroom.thenational.academy/lessons/subtracting-using-the-column-method-6mr38r
Science 1 hour	<u>L.O. I am learning about circuit diagrams.</u> In this lesson, we will be learning how electrical circuits are represented as diagrams. We will learn the symbol for each component and draw our own circuit diagrams. You will need a pencil, a piece of paper and a ruler. Click on the link below and complete the lesson. https://classroom.thenational.academy/lessons/what-are-circuit-diagrams-6ngk0c
