

Day 2

<p>Spelling (1 hour)</p>	<p><u>L.O. I am learning to use apostrophes for possession for singular and proper nouns.</u></p> <p>Look through the PowerPoint. Apostrophes show two things:</p> <ul style="list-style-type: none"> • That one thing belongs to another. • That some letters of a word have been left out to shorten the word. <p>Throughout the PowerPoint there are lots of examples for you. When you have worked through the PowerPoint, there is a worksheet for you to complete. Please only complete one sheet. There are three levels and choose one that you feel most confident with.</p>
<p>Maths (1 hour)</p>	<p><u>L.O. I am learning to weigh and compare masses in mixed units</u></p> <p>In this lesson we will be weighing different masses in mixed units of Kilograms and grams.</p> <p>https://classroom.thenational.academy/summer-learning-support/lessons/weighing-and-comparing-masses-in-mixed-units-c8tpcd</p>
<p>English (1 hour)</p>	<p><u>L.O. To identify and use adjectives in creative writing.</u></p> <p>This lesson includes: a video to help you understand what describing words (adjectives) are and three activities.</p> <p>An adjective is a word that describes a noun (the name of a thing or a place). Watch the short video to find out more about adjectives.</p> <ul style="list-style-type: none"> • Activity 1: A new land at the top of The Magic Faraway Tree. • Activity 2: Becoming an author • Activity 3: Let's be creative <p>On the website there are detailed explanations of each of the tasks and all you need is a pen and piece of paper.</p> <p>https://www.bbc.co.uk/bitesize/articles/zf6c47h</p>
<p>Science (1 hour)</p>	<p><u>L.O. I am learning to identify the different parts of a plant.</u></p> <p>Today we are going to be exploring and learning:</p> <ul style="list-style-type: none"> • Many plants, but not all, have roots, stems/trunks, leaves and flowers/blossom. • The leaves use sunlight and water to produce the plant's food. • Some plants produce flowers which enable the plant to reproduce.
