Every good story needs <b>interesting characters</b>. Stories also need a <b>setting</b>. The setting is where and when it takes place and usually tells us how it looks and feels. How you describe the characters and settings when writing a story is very important. Using descriptive words will give the reader a clearer picture in their mind and help bring your story to life.  <a href="https://www.bbc.co.uk/bitesize/articles/zcbvp4j">https://www.bbc.co.uk/bitesize/articles/zcbvp4j</a></p>
