

## Research Project: Euro 2021

Each class and year group has been allocated teams that are playing in the Euro 2020 finals.

5AE: Turkey

5CT: Denmark

5AS: Switzerland

5MT: Czech Republic

Year 5: Portugal & Ukraine

Watch the online lesson by clicking on the link below to find out more about some countries in Europe.

Can you find out all about your class country or one of the year group countries? You might want to find out about:

- The language
- The population
- The food
- The flag
- The currency
- What they are famous for
- The history of their football success
- The climate

Of course, you can think of your own ideas too! Use Google slides to present your findings and remember to email it to your teacher!
