

## 6MA Friday

6MA Friday	
English (1 hour)	In today's English session, you will continue to look at higher level punctuation and its' purpose. You will look at the punctuation choices Anthony Horowitz made in Stormbreaker and begin to experiment with higher level punctuation in your own writing.
Maths (1 hour)	In today's lesson, you will be doing some revision of fractions. You will be identifying equivalence using pictorial representations, then numerical representations and finally simplify fractions. Click on the link to watch the lesson. Pause the video when it asks you to and complete your worksheet, then resume the video and mark your work to see how you got on. Don't forget to complete the quiz before and after the lesson. <a href="https://classroom.thenational.academy/lessons/understanding-equivalence-75hkge">https://classroom.thenational.academy/lessons/understanding-equivalence-75hkge</a>  <b>Pink Group:</b> Today you will be revising fractions. During this lesson, you will look at unit fractions by finding fractions in different contexts. You will use pictorial representations alongside multiplication and division facts to solve a range of problems. <a href="https://classroom.thenational.academy/lessons/to-find-unit-fractions-of-a-given-quantity-61k34t">https://classroom.thenational.academy/lessons/to-find-unit-fractions-of-a-given-quantity-61k34t</a>
Reading (1 hour)	In this lesson, you will continue exploring the text Stormbreaker by Anthony Horowitz. You will compare this to another text, identifying the similarities and differences, and begin to recognise how you can use other writing as a model to support your own. You could draw out the table to complete or record your thoughts as a bullet pointed list under the subheadings.
PSHE (1 hour)	In this session, you will continue your learning from Monday and start to think about the skills you will need as you move onto secondary school. You will have a go at reading a timetable and map to find your way around a school and practise some organisational techniques to prioritise your tasks. By the end of the session, we hope you will feel more relaxed about starting secondary school in September!
