**1b.** A school orders **455** maths books.

They order **258** fewer English books than maths books, and **86** more art books than English books.

Maths	English	Art
455	Maths – 258	English + 86

How many books are ordered in total?

PS

2b. Eric has **723** stamps in his collection

100 100 100 100 100 100 100 10 10 1 1 1

Book A has **423** stamps in. Book B has **225** fewer than book A.

Book A	Book B	Book C
	-	?

How many stamps are in book C?
Convince me.
