

# Reading Lesson 1

This half term, we are going to be reading 'Carrie's War'. This is another story about evacuation during World War 2.

## What can you remember about evacuation?

The story begins with Carrie as an adult, taking her own children to visit the place where she and her brother were evacuated during World War Two. Everything now looks ruined and overgrown. She starts to tell the story of their time there, beginning with the train journey to get there.

## How do you think Carrie would feel about going back?

Have you ever been back to somewhere after a long time? What was it like?

Listen to the first part of 'Carrie's War':
