1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). - › Part 3 of [The Education Act 2002](#)
- › Part 7 of [The Education and Inspections Act 2006](#)
- › [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- › [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

They will also share the impact of poor attendance and punctuality with parents where appropriate.

3.6 School admin staff

School admin staff will:

- › Take calls from parents about absence on a day-to-day basis and record it on the school system
- › Transfer calls from parents to a relevant member of staff to provide them with more detailed support on attendance

3.7 Parents/carers

Parents/carers are expected to:

- › Make sure their child attends every day on time
- › Call the school to report their child's absence before 8.40am on the day of the absence and each subsequent day of absence if necessary, and advise when they are expected to return
- › Provide the school with more than 1 emergency contact number for their child

- › Ensure that, where possible, appointments for their child are made outside of the school day

3.8 Children

Children are expected to:

- › Attend school every day on time

4.1 Attendance register

We will keep an attendance register, and place all children onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- › Whether the absence is authorised or not
- › The nature of the activity if a pupil is attending an approved educational activity
- › The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Children must arrive in school by 8.45am on each school day.

The register for the first session will be taken at 8.45am and will be kept open until 8.55am. The register for the second session will be taken at 1.20pm and will be kept open until 1.30pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.40am or as soon as practically possible by calling the school admin staff (see also section 7).

Notification will be accepted by telephone call only on 02380733415.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents and carers should request a leave of absence by completing a form, which is available from the school office.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- › Before the register has closed will be marked as late, using the appropriate code
- › After the register has closed will be marked as absent, using the appropriate code

The school will ask children and parents/carers if appropriate for a reason for lateness. The school will write to/telephone parents where punctuality is a matter of concern. Support will be offered if required depending on outcomes of these conversations. If circumstances allow, a penalty notice will be issued for persistent lateness. The impact of lateness will be made clear to parents where opportunities arise, e.g. parents' evening, annual reports to parents.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- › Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit, or if there are sufficiently serious concerns contact the police or Children's Services
- › Identify whether the absence is approved or not
- › Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- › Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

4.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels, for example via letters home, reports to parents, conversations with parents and any other suitable opportunities.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We do not define 'exceptional circumstances', this is dependent on facts and there is no such thing as a 'precedent'.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least three weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- › Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- › Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- › Traveller children travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- › The number of unauthorised absences occurring within a rolling academic year
- › One-off instances of irregular attendance, such as holidays taken in term time without permission
- › Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

The school recognises that in many cases children want to attend school and on time, but are prevented from doing so by family circumstances. This therefore makes reward systems complex to deliver, including 'collective rewards'. Taking all this into consideration the school has chosen to do the following:

- › Provide a whole school event/prize/reward/experience at random days in the year, at least half-termly. By attending school that day, they have been able to experience something special.
- › Rewarding children with book vouchers where they have 100% attendance, due to the special nature of having attended all available sessions. Specific absences may be discounted depending on their facts, e.g. medical appointments, attending a funeral.
- › The school may use individualized reward schemes/sticker charts with specific children to incentivize attendance.
- › Family cinema vouchers to reward families who have gone 'above and beyond' to secure good attendance.

7. Attendance monitoring

7.1 Monitoring attendance

The school will:

- › Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level

- › Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

The school will:

- › Analyse attendance and absence data regularly to identify children or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these children and their families
- › Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- › Through SIMs, enable attendance data to be made available to teachers and other school leaders, to facilitate discussions with children and families
- › Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- › Use attendance data to find patterns and trends of persistent and severe absence
- › Hold regular meetings with the parents of children who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- › Provide access to wider support services to remove the barriers to attendance
- › Write letters to parents including meetings of minutes
- › Work in partnership with other agencies that may be involved in supporting the family

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every two years by Robin Hayes, Assistant Headteacher (Welfare & Inclusion). At every review, the policy will be approved by the full governing board.

9. Links with other policies

This policy links to the following policies:

- › Child protection and safeguarding policy
- › Behaviour policy
