Chair of Governors: Mrs Nikki Webb

Dear Parents and Carers,

Over the next few weeks, the children of Year 5 will be making a nutritious and seasonal vegetable soup as part of their Design and Technology learning. To prepare for this, they will be taste testing a range of vegetables before deciding on their final recipe. The taste testing will take place in the week beginning 22nd January.

During this unit, the children will be practising a range of skills that includes: chopping, dicing, grating and peeling their chosen vegetables. Once the children have made their 'delicious' soup, they will take it home for their audience to taste and provide feedback.

Please can you arrange for your child to bring in a container as soon as possible.

If you have any questions about the learning, please discuss these with your child's class teacher.

Yours sincerely,

Mrs Saunders
Year 5 Leader
