EASTER School 2024

Dear Parents/Carers,

We are very pleased to let you know that we will be running our 'Easter School' again this year to help prepare the children for their forthcoming assessments and transition to secondary school. The 'Easter School' is a more casual form of extra schooling, run by senior leaders and teachers. We feel it really benefits pupils to enable the children to meet their full potential.

The Easter School will take place during the first week of the holiday for two days only (**Tuesday 2 April** and **Wednesday 3 April**) from 8.50 – 2.30 pm. The children will enjoy small group teaching for SPaG (Spelling, Grammar and Punctuation), Reading and Maths. For these sessions, they will be grouped with other children with similar needs. The sessions will be partly driven by the children to address any misconceptions they may have and boost their confidence in areas in which they feel we can help.

We will provide the children with refreshments when they have a break to relax with friends during the morning. **They will need to bring their own packed lunch.** The children do not need to wear school uniform, they can dress as they please!

We would really like to see as many children attend as possible and we know you will support us with this. Children are welcome to attend both days, however if this is not possible, please indicate the day that your child is available to attend. **Please complete and return the slip attached to this letter either way by Thursday 8 February.** This is so that we can finalise staffing and begin planning these days based on the needs of the children attending.

We really hope that your child can attend Easter School as attendance has really benefitted pupils in previous years. If your child is unwell and therefore unable to attend on one of the Easter School days, please contact the school office in the usual way to inform us of their absence. If you have any questions at all, please do not hesitate to contact us.

Kind regards,

Peter Howard
