### **SATs Week 2024**

Dear Parents and Carers,

Attached to this letter is an Information for Parents leaflet about the forthcoming tests in Year 6. As you know, Monday 13 – Thursday 16 May 2024 is SATs week. We have been helping the children to prepare for these in school by giving them opportunities to revise past learning and have a go at past SATs papers. The weekly homework tasks are another way for the children to re-visit their learning. We feel that everyone is preparing well for these tests and Easter School was another opportunity for children to practise their skills and we hope that those who attended found it useful.

Please help your child to stay relaxed and positive – there is nothing to worry about and they need to believe that they CAN do it! Here is the timetable for the tests:

Date	Test
Monday 13 May	English Grammar, Punctuation & Spelling Papers 1 and 2
Tuesday 14 May	English Reading
Wednesday 15 May	Mathematics Paper 1 Mathematics Paper 2
Thursday 16 May	Mathematics Paper 3

In order to support the children and give them the very best possible and least stressful start to each day, we will be offering breakfast free of charge on the mornings of the tests (Monday, Tuesday, Wednesday and Thursday). The children have voted for the choices they would like. This will give them the chance to relax with their friends before the school day commences. We will serve breakfast in the hall and open the back doors to the children at 8.20am.

It is essential that all children (whether coming to our breakfast or not) arrive at school on time. Please do not hesitate to ask any questions.

Best wishes,

Anne-Marie Errouam

Holly Cleveley

Charlotte Thornton

Corrine Work
