EASTER SCHOOL 2020

Dear Parents,

We are very pleased to announce that we will be running our annual 'Easter School' again this year. For the last few years, we have opened the school during part of the holiday for children to take advantage of additional teaching, which has been a great success. The 'Easter School' is a more casual form of extra schooling, run by senior leaders, Year 6 teachers and other members of staff from across the school. We feel it really benefits pupils to enable the children to meet their full potential. This year we are offering **all pupils in Year 6** the opportunity to attend.

The Easter School will take place during the first week of the holiday (Monday 6th – Thursday 9th April) from 9.00 - 11.30 am. The children will enjoy small group teaching for SPaG (Spelling, Grammar and Punctuation), reading and maths. For these sessions, they will be grouped with those with similar needs. The sessions will be partly driven by the children to address any misconceptions they may have and boost their confidence in areas in which they feel we can help.

We will provide the children with refreshments and they will have a break to relax with friends during the morning. We would really like to see as many children attend as possible and we know you will support us with this. Children are welcome to attend every day, however if this is not possible, please indicate the days that your child is available to attend. All children who attend the Easter School will be provided with a revision pack and additional tasks to complete at home. They will also get a certificate at the end of the week.

We really hope that your child can attend Easter School as attendance has really benefitted pupils in previous years. **Please complete and return the slip attached to this letter either way.** If you have any questions at all, please do not hesitate to contact us.

Kind regards,

Peter Howard
