

Miracles of Jesus

Question of Faith Online Learning Pack

Dear **Year 3** Parents at **Fairisle Junior School**,

As you may know, your child's school booked us to visit their **Year 3** group on **Friday 19th June 2020**, to deliver one of our popular **Question of Faith RE Days** on the topic of "**Miracles of Jesus (Divinity)**", but because of the measures that were in place by the government due to the continuing crisis, we obviously couldn't do that.

However, we have created an interactive **Online Learning Pack** on this topic, so that your child can still complete the learning which they would have been involved with, if we had been able to visit them!

You can access these fun, cross-curricular resources, which include our usual blend of storytelling, quizzes, crafts, illusions, and so on, by heading to [Google Classroom](#), pressing the + button to **Join a Class**, then entering the class **Code** below to register:

Google Classroom	Class Code
classroom.google.com	fzdunwx

Once you have signed up, you will see a **Post** in the Class which contains a link to an online **Presentation**, that will guide your child through the material for this topic.

In addition, we have started live-streaming '**Online Assemblies**' every school day at **3:00pm** via our [Facebook Page](#) and [YouTube Channel](#). During these sessions, we will be answering some of the **Questions** which pupils often ask when we visit schools, and would love to answer your child's question(s) too if they have any! You can watch one of these on the topic of "**Miracles**" via the links below:

Facebook	YouTube
Southampton City Mission	SCM Schools

We hope your child enjoys exploring this Question of Faith Online Learning Pack, and would love to hear what their experience was like. You can also **get in touch** by email on schools@southamptoncitymission.co.uk if you have any tech problems.

We look forward to hearing from you!

Many thanks,
Matt & Ellie.
